

Applying Years of Experience to Provide
**Efficient, Smarter
Solutions**

New Name. Same Great Experience.
INTRODUCING ZEALOUS ENERGY SERVICES

CONSTRUCTION, MARINE & ENVIRONMENTAL SERVICES

Formerly Crown Oilfield Construction and Marine LLC, Zealous Energy Services has adopted a new name and brand to accurately represent our company today. Zealous Energy Services has retained the key elements that made us successful in oilfield construction, pipeline construction, and marine and inland water services – our commitment to quality service, our turnkey solutions and our Superior Safety Record – while also expanding our capabilities in new markets and in a number of construction, marine and environmental projects.

Services Include

CONSTRUCTION SERVICES:

- Drill Site Construction
- Pipeline Construction
- Facility Construction
- Pile Driving
- Decommissioning
- Tank Battery Installation

MARINE SERVICES:

- Marine Asset Short/Long-Term Rental
- Dock Services
- Decommissioning
- Construction Crews

ENVIRONMENTAL SERVICES:

- Remediation of Soils & Water
- Frac Water & Waste Pond Closures
- Oil/Chemical Spills
